Controller

BWS Manufacturing Ltd., a trailer manufacturer in Centreville NB, is looking for an experienced, dynamic, team player who is ready to advance their career as a Controller. In this position you will report to Vice President of Finance.

You are a self-motivated individual who can successfully multi-task and resolve any challenges. In this role you will provide all aspects of financial management, including corporate accounting, regulatory and financial reporting, budget and forecasts preparation, as well as development of internal control policies and procedures. Responsibilities will also include financial risk management.

You are a well-organized person, with strong computer and time management skills and understand what manufacturing is all about. You have post secondary education and 3-5 years of on the job proven supervisory experience, preferably in a manufacturing environment.

Using well established budgets you will work with the BWS team to communicate and ensure profitability and will establish required reporting, departmental objectives across the entire operation. As Controller you will participate on the Senior Management Team and help provide the leadership required.

As an experience leader you will work closely with your team and provide challenges and opportunities for growth. You will coach and mentor and foster everyone's experience to help grow BWS.

BWS offers an opportunity to grow, we have benefits, pension and salary commensurate with experience. If you are interested, or have specific questions regarding this opportunity, we want to hear from you. Please e-mail human.resources@bwstrailers.com to initiate a confidential discussion.
