WARRANTY AGREEMENT

BWS Manufacturing Ltd. Warranty Coverage Quick Reference Guide

Revised October 2019

This is a legal contract between the First Purchaser/Owner only, BWS Manufacturing Ltd., and the selling BWS dealership.

BASIC 12 MONTH BWS WARRANTY

BWS Manufacturing Ltd. Warrants directly to you that the BWS equipment identified below, except for exclusions specified below, will be free from defects in materials and workmanship for a period of 12 months beginning at the date of equipment delivery (in-service date), under normal use and service. This warranty extends only to you, the first owner/purchaser; it is not transferrable and applies only to those items that were originally installed by BWS manufacturing at time of manufacture. Auctions sales are as-is-where-is – NO WARRANTY is applied to these products.

If a BWS trailer is sold to a Rental or Leasing Company, the BWS trailer has the same BWS warranty as the first purchaser. If the BWS trailer is sold to an end user after the rental or lease period the remaining BWS warranty will be transferred to the new owner, providing that there is a new CVI/MVI done and a copy of that document forwarded to the BWS warranty department to be registered to the new owner. With one exception – the BWS paint warranty will be terminated at the time of transfer. All component warranty will be handled by the authorized dealer.

COMPONENT PARTS

BWS Manufacturing Ltd. provides 100% parts and labor coverage on all non-wear components for the first year from the in-service date with the exception of tires and ABS sensor alignment. After the first year, any remaining extended supplier warranty coverage & terms apply. Consequential damage is not covered.

EXTENDED BWS FRAME SUPER-STRUCTURE WARRANTY COVERAGE

In addition to the basic warranty, BWS warrants that the main frame beams (consisting of the top & bottom flanges, and their connecting web) for defects in materials and workmanship, under normal use and service for a period of 5 years as of 2016, from the in-service date (DIS) to the first owner/purchaser.

EXCLUSIONS FROM BWS WARRANTY COVERAGE

THIS WARRANTY SHALL NOT APPLY TO:

- 1) Components manufactured by persons or organizations other than “BWS”, when independently warranted by that Component Supplier/Manufacturer beyond the BWS 12 month warranty period.
 - a) Such as, but not limited to: tires (refer all tire claims directly to tire manufacture), suspension components,

axles, wheel bearings, brakes, ABS system components, air, electrical or hydraulic systems, or brake shoes etc.

- 2) Component warranties are all subject to the original manufacturer warranty once beyond the BWS Manufacturing Ltd first year total warranty.
- 3) Any trailers/units which shall have been operated in such a manner against the specific instructions or recommendations of BWS, which shall have been maintenance neglected, or used in any way deemed inappropriate to the opinion of BWS, consequently affecting the intended performance levels.
- 4) Any trailers/units to which parts have been replaced, or alterations made, without the express written consent and approval of BWS Manufacturing Ltd.
- 5) Normal required regular maintenance, adjustment(s) and service.
- 6) BWS products operated with cargo/payload(s) exceeding BWS' rated unit capacity.
- 7) Any/all freight and transportation costs associated with any Warranty claims to BWS.
- 8) Any new or used BWS equipment sold through any auction (private or public), does not qualify for any BWS administered or supported warranty coverage.
- 9) The floor of BWS trailers are not covered where the failure or defect is caused in part by improper care, including but limited to, exceeding load, loading or forklift ratings, improper or ill-advised placement and/or concentration of loads, swelling, shrinkage, twisting, or cracking resulting in part from water absorption and/or drying.

OTHER TERMS AND CONDITIONS

Coverage detailed in this Warranty Agreement is available to the first purchaser only. Your sole exclusive remedy against BWS Manufacturing Ltd. and the selling BWS Dealer, arising from your purchase and use of this BWS equipment, is limited to the repair or replacement of specified defective parts/materials or workmanship at an Authorized BWS Warranty Centre, or at the BWS OEM facility (in Centreville, NB). Claims made from remote locations may necessitate advance repair quote submissions from local service facilities to be prepared for, reviewed and accepted by BWS prior to the commencement of service or repair.

GENERAL CONDITIONS

- Warranty is only extended to the original owner of the trailer bought from an authorized BWS dealer.
- Warranty is based on normal use, proper care and regular maintenance of the equipment.
- Wear or consequential damage is not considered as warrantable defects.
- All units must have the warranty registered with BWS Manufacturing Ltd to receive warranty claim processing.
- The customer is responsible for delivery and pick up of the trailer to the assigned service provider.
- Authorization is required from BWS Manufacturing Ltd prior to warranty work commencing.
- Component parts claims are pending the supplier's warranty review and approval – parts usually have to be returned for inspection. After one year.
- For all claims, take – off warranty parts must be salvaged, bagged & tagged, made ready to be returned either to BWS or the supplier prepaid as instructed.
