Maintenance Assistant

BWS Manufacturing Ltd., is looking for a **Maintenance Assistant** to maintain our buildings and equipment. This position is all about keeping the equipment running and proactively following a preventative maintenance program to schedule what needs to be done and when.

The work is repetitive and requires attention to detail. You must be self motivated individual who can multi-task and resolve problems. In this role you need to have a keen eye and question the things that don't look right. The job may require you to work hours that are shift work based or to work weekends when required.

To do this job successfully you should have a proven mechanical aptitude and demonstrate your ability to diagnose and fix things that are not working. Time management skills and strong computer skills will be necessary in order to be successful in prioritizing what needs to be worked on next. Education and experience will be considered equally.

We offer full time work, good benefits and a pension plan. We provide on the job support and pay is commensurate with experience. Inquire with us today to start your new opportunity! This position reports to our Maintenance Technician.

Please send a cover letter and resume to human.resources@bwstrailers.com if you would like to discuss this opportunity.
